

Recent Events Around the World

Women have really started to get organized in the field of ecology. This can be seen by the number of meetings there have been over the last year dealing with environmental issues.

If you were not able to attend and are interested in finding out more about them, write for information from these recent meetings:

• **Women's Contribution to Implementing Forestry Action Plans**, El Salvador, January, 1990. CEFEMINA, Apdo. 5355-1000, San Jose, Costa Rica.
